

THE BIGGEST & BEST RENDEZVOUS EVER

\$5,000

INTRODUCTORY / RE-INTRODUCTORY SPONSORSHIP

THE SHOWBOATS INTERNATIONAL RENDEZVOUS is the largest gathering of superyachts in the United States. The 25th Anniversary Rendezvous, which will be the biggest and best yet, will be Nov 8-11, 2012 at Atlantis, Paradise Island, Bahamas with more than 1000 guests and over 100 yachts expected to attend the festivities.

The Rendezvous is attended by yachts that range in size from 40 to 200 feet and some are valued at over \$50 million. This year, we have room for 60 yachts at the beautiful marina at Atlantis and an additional 60 at the adjacent Hurricane Hole Marina. Guests will enjoy a Rendezvous Yacht Hop under the stars where they will get to tour through over a half billion dollars' worth of yachts. The weekend consists of cocktail and dinner parties, shows and fun daytime family activities.

Each year, the Rendezvous offers guests a spectacular display of megayachts and entertainment. Previous years have featured a star-studded line up, including Donna Summer, Michael Bolton, KC & The Sunshine Band, Earth Wind & Fire, The Village People, and The Blues Brothers featuring

Dan Aykroyd and Jim Belushi. Special celebrity guests have included Burt Reynolds, Oprah Winfrey, and Donald J. Trump.

This is an ideal venue to network with a highly qualified and targeted group of individuals. This is a group of individuals that have great discretionary income. Many of these guests also have private planes and luxury vacation homes.

Over the past 17 years at the Rendezvous, a group of generous individuals who belong to the Admirals Club, donate \$50,000 a year to the Boys & Girls Clubs and expect nothing in return other than the satisfaction of helping children learn all the trades in the marine industry. Over 70 individuals have become Admirals at the Rendezvous.

We believe most of the attendees come to this event because of the children it helps as well as for a great party, and an opportunity to visit with their fellow yacht owners, old friends and make new friends. Therefore, we believe our guests patronize the businesses that sponsor the Rendezvous. Sponsorship is restricted to a relatively small number of high end businesses that cater to those with substantial worth.
